

Brayton CE Primary School

Autumn Term 1

Friday 20th October 2017

Headteacher's Message:

Dear Parents and Carers

A thoroughly deserved break is upon us all and the staff and children get that well-earned break to fully recharge our batteries! Next term promises to be another very busy one for everybody.

I have requested that the LA come in to look at some of the work we do and report to us any strengths and areas we may need to develop. The shape of this review will most probably be a group of other Headteachers and authority colleagues checking work, observing lessons and speaking to children, staff and leaders about our performance.

The focus for this event is to support teachers, leaders and parents in understanding the current position of the school. A lot has changed surrounding inspection since Ofsted last visited so we are working hard to prepare for this. It will take place late November and as usual I will share the key headlines from any outcomes and judgments we receive.

Have a lovely half term rest!

UNIFORM:

We have clarified our expectations for uniform and updated information can be found on the school website. We would encourage all families to read the information and to support us in ensuring children are smart and in the correct uniform. Can we particularly draw attention to the information about hair bows and head bands.
