

Friday 13th October 2017

Dear Parents and Carers,

We have continued with our learning about Autumn this week. We have been threading leaves to develop our fine motor control. We had a fun, messy time on Friday making mud faces!

Rev Pete visited us on Monday and led worship within the Unit. The children enjoyed meeting him and finding out about his role in the community. He was very impressed with our singing too! We then wrote about his visit.

In Maths we have been concentrating on recognition and formation of numbers. We have written numbers on a number line and made cheese straw numbers, delicious!

In phonics we have been covering the sounds b h f ff l ll ss. We are continuing to practise blending and segmenting.

*Just a reminder that we will be holding a Parent Phonic Meeting on **Wednesday 18th October** at 6 pm in the School Hall (Snowdrop Building).

We look forward to seeing you there.

Thank you for your support and have a lovely weekend.

The Early Years Team
