--	--	---	--	--

Science -In science we are going to look at animals we meet as we journey around the world, sorting them into different categories ie herbivores, carnivores and omnivores.

History - In history we will be focusing on famous explorers, past and present Robert Falcon Scott and Ben Saunders

Art - In art children will be exploring sculpture and making sculptures of Arctic animals using different tools and techniques.

## Spring Term Land Ahoy

Geography - In geography the children will be naming and locating the world's seven continents and five oceans, as well as locating hot and cold areas of the world.

Computing - In computing the children will learn how to use technology safely and purposefully and will write an e-mail to Ben Saunders.

D&T - In design and technology the children will be creating moving pictures using levers and sliders of hot and cold areas of the world.

English -The children will be exploring stories with predictable and patterned language connected to different parts of the world. In our topic we will be looking at information texts about hot and cold locations.
