September 2018

Dear Parent(s)/Carers(s)/Guardian(s),

Selby High School would be delighted to invite you to our annual Open Evening on Monday 1<sup>st</sup> October 2018 between 6.30pm and 9.00pm. An invitation is attached on the reverse of this letter.

During the evening you will have the opportunity to visit all the various subject areas, talk to our students, watch and take part in demonstrations and meet with staff. Representatives from North Yorkshire will also be available during the evening, together with our catering manager and members of the governing body.

In addition, our Special Educational Needs Coordinator (SENCO) will be available from 6.00pm (in the SSC) for those parents, carers or guardians who wish to discuss specialist education and/or care issues for their child.

Mr. Nick Hinchliffe, Principal and Mr Stuart Lewis, Vice Principal, together with representative students, will be giving presentations in the Main Hall at 6.30pm and 7.30pm about life at Selby High School, the transition process and what we can offer your child.

We are always very proud of our school and its achievements and this year is no exception. We are particularly delighted with the school results again this year, which shows yet another increase in our Progress 8 score. Summary breakdowns of the summer 2018 results of our students will be available on the evening to take away and consider in your own time.

We believe strongly that by working together, we achieve more and over the last few years, we have worked hard to create a positive climate for learning and a sense of community. Success is not solely measured by exam results and we endeavour to ensure that when students leave Selby High School they are ready for the many challenges that lie ahead. According to a recent survey of parents, carers and guardians, students enjoy coming to Selby High School, they feel safe and they make very good progress. We hope after your visit you will see why we are so justifiably proud of our school and the achievements of our students, both academically and socially during their time at school.

If you are unable to attend the evening, but are interested in your child becoming part of our school community, please contact Mr Stuart Lewis, Vice Principal, (Tel: 01757 244826 or [sl@selbyhigh.co.uk](mailto:sl@selbyhigh.co.uk)) who will be happy to arrange a visit.

We look forward to welcoming you to our school on Monday 1<sup>st</sup> October 2018.

Yours sincerely,

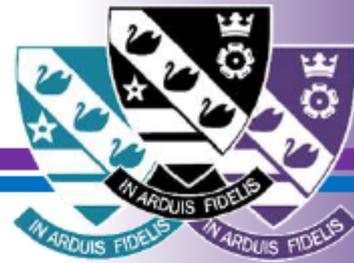

Mr Nick Hinchliffe  
Principal

Mr Stuart Lewis  
Vice Principal in charge of Transition

SPECIALIST SCHOOLS FOR THE ARTS AND SCIENCE

## OPEN EVENING INVITE

Please come and visit us at our exciting Open Evening event. The whole school is open to view, with all subjects having displays and activities to experience. In addition, find out about the four Houses, the caring support teams for our students and get to know how you can access some of the extra-curricular activities that are available.

**Monday 1<sup>st</sup> October 2018**  
**6.30pm- 9.00pm**

Presentations will take place in the main hall at 6.30pm & 7.30pm. Members of staff will be available to answer your questions. Further information about life at Selby High and how we work to ensure success for your child will be provided on the evening.
